Dear Mr. Bradley Barnes,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2018-319-E - Application of Duke Energy Carolinas, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Subject: Duke Energy Proposal

Hello Commissioner,

I am writing as I will be unable to attend the Spartanburg Hearing scheduled for Tuesday, March 12 being held at 6 p.m. in the Spartanburg County Council Chambers due to work. I am a local to spartanburg/Greenville. In September, I moved into the Spartanburg city limits and purchased a home; I had lived in Greenville County. I fall in the ever growing Millennial bracket of 25-34 year olds. (<https://www.google.com/amp/s/www.goupstate.com/news/20190227/report-says-young-workers-flocking-to-spartanburg%3ftemplate=ampart>)

The current cost of living was a major draw for my wife and me in our relocation. Whereas the proposed ~\$20 increase on 'mandatory facilities fee' may seem to be a small amount, this will be directly place more of an annual strain on or family fiscally. Would love for you to advocate on our behalf.

I have also been a Duke Energy Stock holder for the past 20+ years. In a time where our geographic region is seeing such positive growth economically and socially, we would hate to see that hindered due to large corporations pulling from the 'men and women' of Spartanburg and Greenville South Carolina on fixed incomes and/or those desiring a night or two out-on-the-town socially (increasing local economic growth)

Best,

Bradley Barnes
